Professional Experience

Full Stack Developer – Standardwings Technology Pvt. Ltd., Nashik

October 2021 – September 2025

Collaborated in project planning, requirement gathering, and implementation of full-stack web applications. Led the development of scalable web applications using Laravel and React.js. Reviewed and optimized code for performance and best practices. Handled change requests, bug fixes, and performance enhancements. Delivered client-approved solutions with comprehensive documentation and testing. Tech Stack: Laravel, PHP, React.js, MySQL, SQL Server.

Key Projects

Smartsheet Web App – Laravel 11, PHP, REST API, MySQL, jQuery, AJAX, Bootstrap

Developed a Smartsheet-integrated portal with user management and secure token-based access, enabling collaboration between Smartsheet and non-Smartsheet users.

SWT Income/Expense Manager – Laravel 11, React.js, Redux, MySQL

Created a finance management system to handle company-wide income, expenses, and real-time reporting with detailed analytics.

Foxilogic – React.js, Redux, Laravel 10, MySQL, Google Maps

Developed a network monitoring system automating issue resolution workflows and providing real-time monitoring of base stations.

Skewb – React.js, Redux, Highcharts

Implemented a marketing analytics platform to visualize spending trends using interactive charts and modular UI components.

NMC Ghantagadi – Laravel 9, Google Maps API, MySQL

Built a vehicle tracking and penalty module for municipal waste management with GPS integration and analytics dashboards.

Malegaon Streetlamp – Laravel 8, MySQL, Blade

Developed a complaint management system for streetlight maintenance, including role-based workflows and escalation features.

Education

Bachelor of Engineering (Computer Science) – 2021, Amravati University, 91.85%

Diploma (Computer Science) – 2018, MSBTE, 72%

SSC – 2015, MSBTE, 83%
